Mission

To provide peer to peer support programs in a safe, home-like atmosphere for children, teens and their families grieving the death or life-threatening illness of a loved one.

Vision

Seasons Centre for Grieving Children is founded on the belief that every child deserves an opportunity to grieve in a supportive and understanding environment.

Grief is a natural reaction to the loss of a loved one, but in our busy world, we often find it difficult to acknowledge grief and struggle to give those mourning time to heal. Seasons Centre for Grieving Children is a place to reflect, recover, and re-adjust. If handled with caring and support, the death of a loved one can become a process of growth.

Our Values

We are healing hearts with HOPE
Highly Valued in the community as a leader in children and family grief support
Openly Dedicated to the support of children and their families grieving the death of a loved one
Positively Committed to creating a safe and supportive environment
Excelling in Service provided by professional staff and well-trained facilitators

Volunteers

The Essence of Seasons Centre is our volunteers. The Centre could not exist without the kind hearted dedication of these wonderful individuals.
