

CANADIAN CHILDREN'S GRIEF SYMPOSIUM

Participants will have the opportunity to learn foundational concepts, practical tools and innovative methods that will help them to support children, youth and families who are coping with grief and bereavement in their own communities.

Workshops will be delivered by practitioners and educators from across Canada who have extensive experience and knowledge in children's grief and bereavement care.

CANADIAN CHILDREN'S GRIEF SYMPOSIUM

Sponsorship ensures that all event costs are covered and supports a nominal fee paying structure, making this an accessible conference for all participants who will be invited to attend virtually.

Sponsorship helps build awareness for your brand and creates a strong presence with professionals who work directly within our communities in education, healthcare, research and family services.
